

## **NEVER ENDING LOVE**

**Give thanks to God for He is good  
and His love never quits.**

**He is a miracle working God -  
Creator of the cosmos.**

**He wrapped the world in water  
and enabled life to exist.**

**He hung lights in the sky –  
The sun for daylight –**

**The moon and stars for night light.**

**He raises us up when we are down  
and redeems us from sin.**

**He provides our every need  
and gives us eternal life.**

**Praise the Lord,  
His love never quits.**
